General Interest

Everything but the Kitchen Sink
Arm yourself with tips and tricks to simplify cooking, baking, gardening and cleaning. Use less toxic and inexpensive products that you already have on hand. King vinegar has over 1,500 uses, like killing weeds and cleaning kettles. Peanut butter is great for removing scratches on CDs and getting gum out of hair. Get rid of wasps, skunks, slugs, cats, mice and many other garden critters with less expensive, environmentally friendly and non-toxic solutions. Ever wonder how restaurants make perfect pies, cakes, icing, cookies and gravy? Soon you will be able to wow your family and friends with food that looks and tastes like it was made by professionals. The secrets are out, and your life just got easier!
